Respected Sir,

Subject: Curriculum Feedback Report Submission for the A Y 2020-21-RISE Krishna Sai Gandhi(8B)-

Hope you're doing well. I'm Dr K V Subrahmanyam, representing RISE Krishna Sai Gandhi Group of Institutions (8B), and I'm writing to drop off our Curriculum Feedback Report. We've gathered thoughts from students, alumni, employers, and faculty about how things are going with our curriculum.

Here's a quick rundown:

Students: They want more hands-on stuff and suggested throwing in some extra electives for variety.

Alumni: They say the current curriculum is cool but needs a bit of a refresh to keep up with what's happening in the real world. Also, they're keen on boosting soft skills and entrepreneurship vibes.

Employers: They're all about practical application and suggested we amp up internships and hook up with more companies.

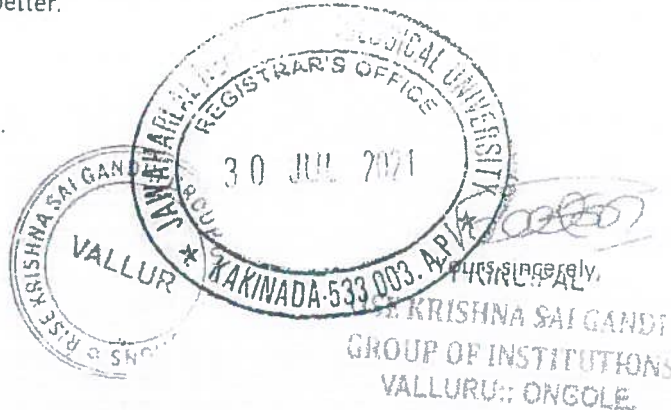

Faculty: They spilled the beans on some challenges and are into tweaking the teaching methods. Also, they're keen on blending in some new tech.

We've put all this into a report, and you'll find it attached. Take a look when you get a chance. We're hoping these ideas make the curriculum even better.

Thanks a lot for taking the time to look into this.
