

### OATH FOR Values, Rights, Duties and Responsibilities of a Student

In the pursuit of excellence, both as an engineer and a responsible citizen of INDIA, I, Bommineni Pavitra, a proud student of RISE Krishna Sai Gandhi Group of Institutions, Ongole, solemnly affirm the following:

#### Values:

- I pledge to uphold the principles of honesty, integrity, and respect in all my academic, personal, and professional pursuits.
- I commit to fostering a culture of inclusivity, recognizing the importance of diverse perspectives and backgrounds.
- I will endeavor to cultivate a spirit of curiosity, innovation, and lifelong learning.

#### Rights:

- I recognize the right to free expression and thought, ensuring that it doesn't infringe upon the rights of others.
- I acknowledge the right to equality in educational opportunities, irrespective of caste, creed, gender, or economic background.
- I will respect the rights of my peers, faculty, and staff, fostering a harmonious environment.

#### Duties:

- I vow to maintain the highest standards of academic integrity, refraining from plagiarism, cheating, or any dishonest practices.
- I commit to actively participating in the academic and extracurricular activities of the college.
- I will respect and abide by all the rules and regulations set forth by the college and its associated bodies.

#### Responsibilities:

- I pledge to use my engineering skills for the betterment of society, upholding ethical standards and sustainable practices.
- I commit to being a responsible citizen, both within the college campus and outside, respecting the law, and promoting a culture of civic participation.

In affirming this oath, I acknowledge that my time at this college is not only about personal advancement but also about contributing positively to society and the broader engineering community.
