Action Taken Report Based on Feedback From Students

A.Y: 2020-21

S. No	Feedback	Action Taken	Outcomes/Achievements
1	Introduce Live projects from II Year onwards	Initiated all the departments to do MINI Projects from II Year	Students developed their practical skills on particulars.
2	To conduct more workshops for practical knowledge improvement	Conducted several workshops in various departments which enlightened students' knowledge.	Through workshops students gained better practical knowledge
3	Suggested to introduce Machine learning with Python programming and Data Science concepts	Initiated for value added/add-on courses in these concepts	Students were able to develop their coding skills.
4	More practice needed on AI Tools	Conducted Data Science & AI Tools courses for students and faculty members for more practice.	Faculty members and Students gained knowledge on AI tools which helped for their research.
5	More practice needed on MATLAB.	Conducted MATLAB & SIMULINK course for students and faculty members for more practice.	Faculty members and students gained knowledge on MATLAB which helped for their research.
6	Introduce advanced courses	Conducted various Programs on Artificial intelligence & Machine Learning and Data Science.	Through this program students had exposure on latest technology.
7	Alumni suggested to introduce B.Tech Programmes in emerging areas	The institution decided to offer new programmes in B.Tech such as CSE (Data Science).	Students are able to access the emerging programmes
8	Enhance sports facilities.	Invested in upgrading sports facilities, including equipment and infrastructure improvements.	Improved sports facilities, leading to increased participation and performance in sports activities.
9	Enhance support to organize clubs and extracurricular activities.	Implemented a streamlined process for club formation, providing guidelines and resources to interested faculty and students. Allocated the dedicated budgetary support for clubs and extracurricular activities, enabling them to organize events and activities effectively.	Increased number of clubs and extracurricular activities organized within the institution. Improved participation and engagement among students in various extracurricular activities and improved effective leadership.

Action Taken Report Based on Feedback From Faculty Members

S. No	Feedback	Action Taken	Outcomes/Achievements
1	To provide more number of e-class rooms	Almost all the classrooms are installed with projectors, initiated for digital classroom.	Through ICT enabled classrooms, students' gained knowledge on subjects.
2	Include More practical oriented subjects	PCB Designing course is conducted for more practical exposure on subjects.	Students gained practical knowledge on PCB Designing
3	Industry related topics required	Conducted guest Lectures and workshops on emerging technologies by Industry experts.	Students gained practical knowledge on what industry is expecting
4	Need to implement regular coding activity to improve skills.	CODETANTRA platform is introduced by College to practice coding	Through CODETANTRA all the students are benefited and coding exams are conducted which increased the placement percentage.
7	Request to enroll certification courses.	In line with NPTEL COURSERA certificate courses are introduced to faculty members and students	Faculty members and students gained more knowledge using this platform

Action Taken Report Based on Feedback From Stakeholders

S. No	Feedback	Action Taken	Outcomes/Achievements
1	Students should enhance coding courses/skills	Latest technology programming languages like Python are introduced to reach industry standards.	Most of the students cracked interviews based on python programming.
2	Parents and students requested for global exposure.	MOU with reputed companies are signed and increased through IIP Cell	Students Internships are increased which enhances the students practical exposure to industry requirements
3	Provide Smart class room for improvement of teaching and learning.	Almost all the classrooms are with installed projectors. Initiated for smart interactive board.	ICT enabled classrooms created a leaner centric ambience.
4	Adopt latest technologies in the market like DS	New programs in UG like DS are introduced to cope up with the latest technologies. Latest programming language like Python is introduced at par with the latest technologies	Students gained more coding skill using Python and cracked interviews
