GUEST LECTURE On **BANKING IN DIGITAL ARENA**

by

**Sri M.V.S.S.K.S.RAMESH, CHIEF MANAGER, SME
BRANCH, SBI, ONGOLE.**

Dt. 09-NOVEMBER, 2018

GUEST SPEAKER SUMMARY TEMPLATE

Key information to be gathered from the presentation:

1. Name of Speaker	:	Sri Mr. M.V.S.S.K.S.RAMESH,
2. Job title	:	CHIEF MANAGER, SME BRANCH, SBI
3. Date of speaker's presentation	:	9 TH NOVEMBER, 2018
4. Location	:	ONGOLE
5. How long they have worked in this position:		14 Years
6. Position	:	CHIEF MANAGER, SME BRANCH, SBI,ONGOLE
7. Topic	:	BANKING IN DIGITAL ARENA

This lecture is provided by a Formerly CHIEF MANAGER, SME BRANCH, SBI,ONGOLE,M.V.S.S.K.S.RAMESH from to conduct a Motivational talk on BANKING IN DIGITAL ARENA.

We are proud to have Sri M.V.S.S.K.S.RAMESH as our guest speaker. He is a CHIEF MANAGER, SME BRANCH, SBI,ONGOLE, made frequent appearances on Banking Industry open discussions on digital transactions of personal, and commercial Business.

His accumulated experience and knowledge are formidable. His idea is always so special and sometime cannot even agree with any single point that he has given. The entire motivational career talk is about "BANKING IN DIGITAL ARENA" for the Students, dream out of the box. During this session, Sri M.V.S.S.K.S.RAMESH keep asking questions about what are the types of bank transactions of the student and what they want to achieve in the student life. After attending this session, student gets to know about personal and commercial transactions in banking system.

This help to students to set a dreams and goals which they never though off due to their hesitation of choosing a transactions path to walk on. Think positive and think impossible to possible, a motivation word which they learned from this session describe that anything is possible as long their confident and believe in themselves that they can achieve anything in their life and career including scoring straight as in strong career in the student financial life.

Basically all of the students are enthusiastic about the financial talk. It helps them to gain a lot of confidence in what they want to achieve in their student financial career. The career camp is interesting and involves a lot of participation. Lots of the students hope that there will be another camp like this in the future.

As a closing ceremony, the Principal and HODs are presenting an appreciation souvenir to Sri M.V.S.S.K.S.Ramesh as a token of appreciation. Then, all of the students return to their respective classes to continue their classes.

BANKING IN THE DIGITAL ARENA: CHALLENGES AND OPPORTUNITIES

What could banks look like in five years

Today's banks are at the beginning of the biggest change in their history. The rise of P2P, artificial intelligence and block chain means they will already begin to look different in five years' time.

Tomorrow's banks will be focused on their customers' journeys, integrating seamlessly between the branch and the digital services, with virtual assistants and robot-advisors blending human and virtual interactions. They will be more automated, adapting offerings to each customer's specific requirements. Payment automation will be available for smart objects such as cars, fridges and homes.

Banks will also need to use their intimate knowledge of consumers to place them at the heart of exchange ecosystems, providing new personalized services based on aggregated profiling and peer benchmarking. Using this knowledge, they may become service brokers in a wide range of domains.

According to us, in five years, ecosystems will have evolved significantly with new entrants and many mergers and acquisitions. Banks need to begin preparing for these massive challenges today.

Which driving forces will help them succeed

Customers no longer stay with one bank for life. Moreover, competition is now intense, with FinTechs offering low-cost services. Digital platforms such as net banking and bank applications are taking more transactions than ever from traditional card businesses. PSD2 could lead to a European shockwave equal to that seen following the energy market deregulation.

To succeed, banks are fundamentally reinventing themselves as customer-centric, data-driven business platforms. This makes business ecosystems evolve dramatically with data being the key asset.

In this context, banks have an opportunity to become the hub for customer financial and payment data in addition to their core business. This opportunity will most likely see them partner as well as compete with the FinTechs and technology giants.

We are convinced that open banking is the beginning of a very strategic transformation: the shift to a 'platform of services' model. This shift may lead to banks becoming data aggregators and service brokers within an ecosystem of diverse partners. We believe pushing relevant offerings identified through advanced analyses is the start of the road toward banks monetizing their data, which has the potential to open up very sizeable new revenue streams.

What should banks do today

The banks we work with know they need to adapt rapidly or risk being left behind. Even those considered too big to fail today feel threatened and are very active in transforming with us.

Banks also need to work with partners and become platforms for FinTechs. After all, FinTechs can be tremendous accelerators for innovation and launching new banking services.

To succeed in the digital era, we think it is vital to combine the traditional scalability and compliance of banks with the agility of FinTechs in a fully secure and data-centric way.

Look Out 2020+ for Banking

Look Out 2020+ Global Banking 'Toward next-generation financial services ecosystems'

where we explore the business opportunities and key technologies which will shape the future of Banking.

SPEAKS ABOUT:

As announced by Prime Minister Narendra Modi, loans from Rs 10 lakh to Rs one crore will be sanctioned to micro, small and medium enterprises, said Sri Mr. M.V.S.S.K.S.Ramesh, Chief Manager, SME Branch, SBI. He reviewed progress in issue of loans with beneficiaries, industrialists and others at an awareness programme for MSMEs organised here and called upon the unemployed youth to avail the opportunity to start units of their own. He reminded Modi launched the programme in an unprecedented manner.

He announced that a two per cent concession on interest would be given to units that registered with the GST. Social security was guaranteed to the employees working in the MSME units by extending services like ESI, PF and other benefits, he added.

OBJECTIVES OF CONDUCTING WORKSHOP

To make students learn and interact with renowned industry experts.

- Make Students to receive an unparalleled education on the art of "MASTER CLASS IN AZURE CLOUD" with personal one - one attention.
- To make every student an expert in MASTER CLASS IN AZURE CLOUD which would be very useful for developing their own Research projects.

Overview about Workshop

The aim of this workshop is to make the students are going to gain basic knowledge in the field of Research for their projects handled in the B.Tech and upcoming studies. Research methods are very important to implements the projects their academics.

Department of CSE:

Department of CSE has taken the opportunity to conduct the workshop in RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS. As the theme of the workshop is the core for the department, it's a nice opportunity for the students to learn the technology and to implement that practically.

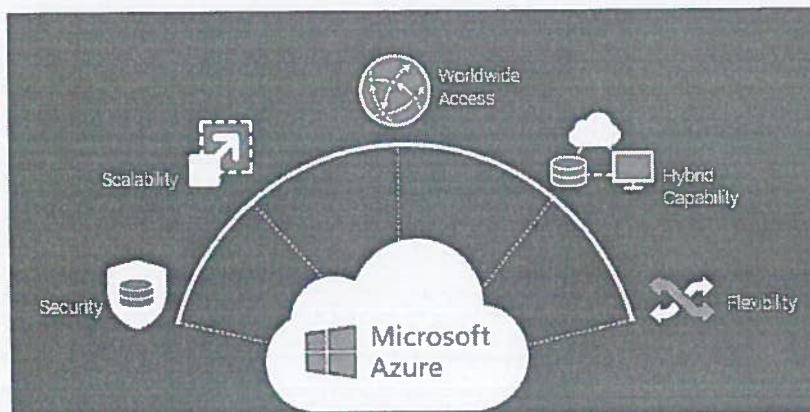

IMPORTANCE OF MICROSOFT AZURE

Microsoft Azure is a cloud computing services provided by internet giant Microsoft. It allows users to build, test, host or manage web applications and data. Microsoft has its own data center infrastructure across the world which provides over 600 kind of cloud services.

The direct and major competitor of Microsoft Azure is Amazon Web Services, commonly called as AWS. Apart from that it does compete with Google Cloud and Alibaba Cloud which are quite behind.

Microsoft Corporation's Intelligent Cloud segment contains Azure, the second largest cloud service provider globally. Through Microsoft Azure, the company delivers a consistent hybrid cloud experience, developer productivity, artificial intelligence (AI) capabilities, and security & compliance. Microsoft Cloud revenue, which includes revenue from Azure and other cloud services, Office 365 Commercial, the commercial portion of LinkedIn, and Dynamics 365, reached \$23.4 billion for the latest quarter, an increase of 32% year-over-year. As such, on an annualized basis, Microsoft Cloud revenue currently stands at \$93.6 billion. However, Microsoft does not explicitly disclose Azure revenues, meaning that Azure is only a subset of total Microsoft Cloud revenue.

Features of Microsoft Azure

MICROSOFT DATACENTERS

A data center is a facility that provides shared access to applications and data using a complex network, compute, and storage infrastructure. Industry standards exist to assist in designing, constructing, and maintaining data center facilities and infrastructures to ensure the data is both secure and highly available.

Over 200 physical Microsoft Azure data centers are located worldwide, which house computer servers, each fitted-out with independent power, cooling, and networking. The company connects this data center infrastructure with more than 175,000 miles of fiber lines across 140 countries.

Microsoft Azure Data Center Locations

Microsoft Azure has similar way of classifying the location as that to AWS. Mainly, it uses Geographies (mostly countries, continents as well), Regions (cities) and availability zones. In fact, almost all of the major cloud infrastructure providers these days follow this pattern to describe their data center locations.

Microsoft Azure has data center regions in following main geographies:

Geographies: since Microsoft has used both continents and countries as geographies, for your convenience, we have separated out each such geographies on the basis of continents in our world political map.

Microsoft Azure Geographies in Asia & Oceania:

- Australia
- China
- Asia Pacific
- India
- Israel
- Japan

NH-16, Valluru, Ongole, Prakasam (District)-523272

Department of Computer Science and Engineering

- Korea
- New Zealand
- Qatar
- United Arab Emirates

Microsoft of Azure Geographies in Africa:

- Africa

Microsoft Azure Geographies in Europe:

- Europe
- France
- Germany
- Italy
- Norway
- Poland
- Spain
- Switzerland
- United Kingdom

Microsoft Azure Geographies in North America:

- Azure Government.
- Canada.
- United States.

Microsoft Azure Geographies in South America:

- Brazil
- Mexico

REGIONS AND AVAILABILITY ZONES

Regions are mainly the cities that host one or more availability zones in the area. Availability zones are unique cluster of one or more data centers interconnected with same low-latency network, power source and cooling system.

Microsoft Azure presently has 60 regions and 116 availability zones in operation. These regions and availability zones are distributed throughout the United States, Azure Government (U.S.), Americas, Europe, Asia Pacific, as well as in the Middle East & Africa. Such “availability zones” are independent to other availability zones in the region or outside. They are tolerant to data center failure through redundancy and logical isolation of services.

Regions and Availability zones of Azure

Below are all the regions and locations of Microsoft Azure data centers in their respective geographies:

Vote of Thanks

Prof. Mr P Isaac Paul beloved HOD of CSE Department thanked every student for their active participation and interest in participating in the workshop and mentioned about the activities conducted in the college by the department. He promised that department will continue its assistance in conducting these sort of workshops and seminars in future.

He thanked the technical support organized by Dr S V Naresh , Director NT & CS, Guntur.

He mentioned about the marvelous support given by the Principal Prof. Dr. K V. Subrahmanyam to the department in conducting these workshops. He also thanked for the personal interest taken by him in encouraging the department in all aspects.

CLOSING REPORT

As per the approved schedule of RISE Krishna Sai Gandhi Group of Institutions conducted a one day work shop on "MASTER CLASS IN AZURE CLOUD" on 3rd & 4th February 2023.at CP Lab-1 from 09.00 am to 4.00 pm. 123 students of III CSE participated in the programme which was headed by Dr S V Naresh , Director NT & CS, Guntur.

We are expecting your support and presence in the future too, we would be thankful on behalf of the Institution.

Thanking you sir,

(Dr S V Naresh)

With Regards,

Report on

“Webinar on Efficient Hardware Implementation of Deep Neural Networks”.

A webinar on Efficient Hardware Implementation of Deep Neural Networks was successfully conducted in the RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS, Ongole, on Date: 19th Aug 2022 by Department of Electronics and Communication Engineering. The workshop program received an overwhelming response with 668 participants from our institution & Rise Krishna Sai Prakasam Group of Institutions.

A brief Report for Workshop is given below with the feedback at the end:

Dates: 19th Aug 2022

The poster features the institution's logo and name at the top, followed by the workshop title and speaker information. The speaker's name, Modiboyina Chaitanya, is highlighted in a dark blue box. The date, time, and venue are listed on the left side.

Dept. of Electronics and Communication Engineering

About the Program:

The main objective of this lecture is to explore popularity of Machine learning (ML), Deep learning (DL), and Artificial intelligence (AI) has sharply risen in recent years. Despite their spike in popularity, the inner workings of ML and DL algorithms are perceived as opaque, and their relationship to classical data analysis tools remains debated. It is often assumed that ML and DL excel primarily at making predictions. Recently, however, they have been increasingly used for classical analytical tasks traditionally covered by statistical models.

Inaugural Session:

The program was inaugurated in the morning at 19th Aug 2022 by hands of Mr. Madiboyina Chaitanya (Resource Person), Prof. K. V. SUBRAHMANYAM (Principal), Mr. S. V. RAVI KUMAR (HOD), Dr. S. V. V. N. CHANUKYA. PADIRA (Coordinator, Webinar).

In welcome speech, Hon. Principal Dr. K. V. SUBRAHMANYAM shared his views with the participants that if faculty & student get awareness on Deep learning attending such webinar programs, people know the procedure "how to do hardware implementation of deep neural networks". He briefed the participants about the subject chosen for the webinar and highlighted the reasons and importance of the same.

In the inaugural speech, Mr. Chanukya Padira gave introduction to the webinar and about Deep learning. Later, he handed over the session to the resource person Mr. Modiboyina Chaitanya, Research scholar.

Mr. Modiboyina Chaitanya Delivers the following Topics

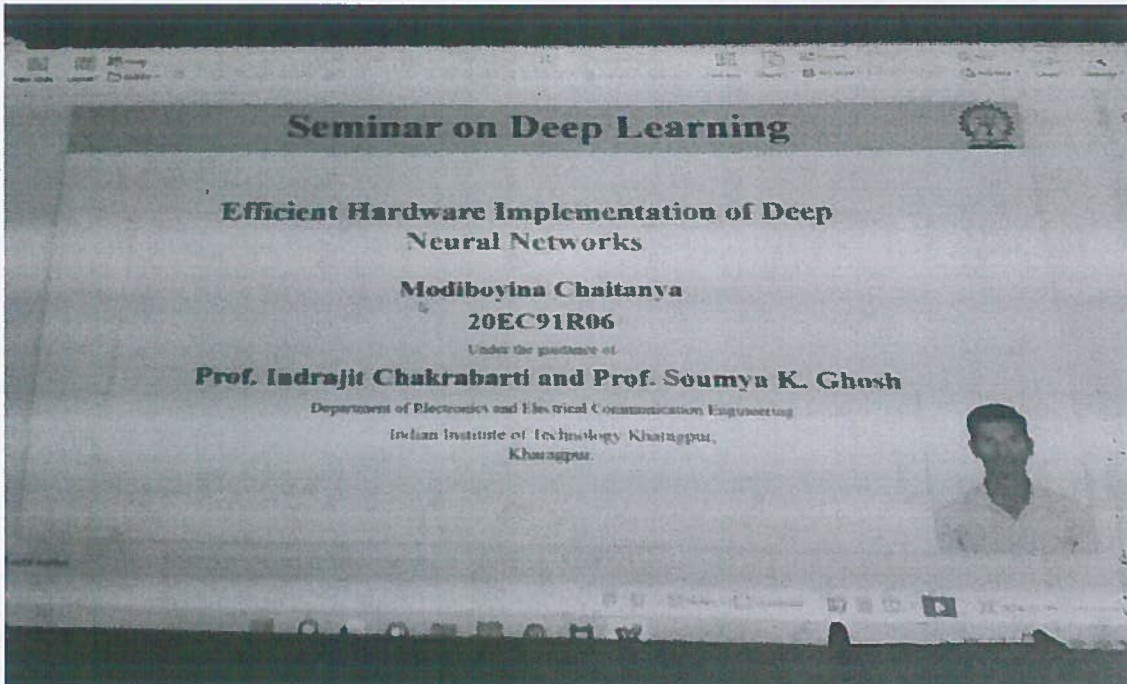

- what is DNN ?
 - 1) Convolutional Neural Networks (From scratch)
 - 2) Convolutional operation
 - 3) weights
 - 4) Activations
 - 5) Pooling
- Why it is useful?
- When to use?
- Forward and Backward operation.
- Loss Functions
- Metrics
- FPGA Implementation

OBJECTIVES OF CONDUCTING WORKSHOP

1. To make students learn and interact with renowned industry experts.
2. Make Students to receive an unparalleled education on the art of **“Social Entrepreneurship For Higher Education Institutions”** with personal one on one attention.

Overview about Workshop

The aim of this workshop is to make the students are going to gain basic knowledge in the field of Research for their projects handled in the B.Tech and upcoming students. Research methods are very important to implement the projects their academics.

Technical Support:

The workshop was conducted in collaboration with Center for Electronics System Design (CESD) from Vijayawada. The company has a fast growth in various technologies in electronic field along with the research projects designing. The company's director Mr. Finney Daniel accompanied with Seven Trainers attended the workshop for guiding the students in learning the technologies.

Department of CSE:

Department of CSE has taken the opportunity to conduct the workshop in RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS. As the theme of the workshop is the core for the department, it's a nice opportunity for the students to learn the technology and to implement that practically.

Technical Report on Workshop:

The Technical team of Center for Electronics System Design (CESD) has described the entire designing process in a step by step procedure.

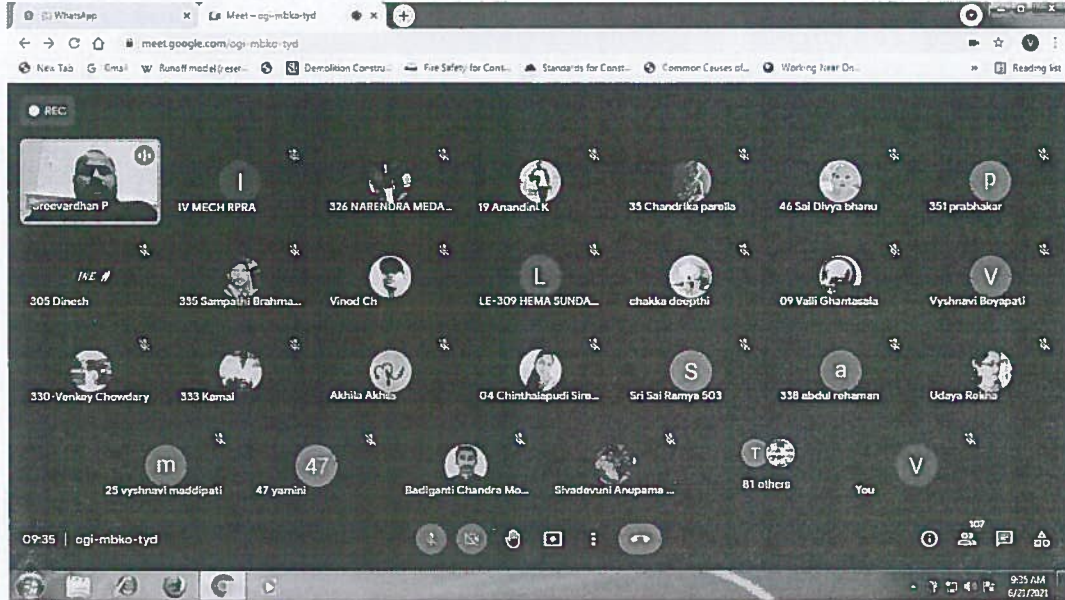

Social Entrepreneurship Competency in Higher Education: An Analysis using Mixed Methods.

Abstract: Social entrepreneurship is a necessary competency in higher education; however, research in this area is in its early stages. This study sought to evaluate social entrepreneurship competency and identify the factors and educational processes that promote its development. The research consisted of mixed method. The tools included a questionnaire, interviews with professors, and a focus group with students. The questionnaire showed not variation by disciplinary area, semester grade, or previous experience. The interviews and the focus group led to an analysis that described the development of the SEC as a continuous learning process around the validation of the social enterprise. **Keywords:** social entrepreneurship; entrepreneurial education; social entrepreneurship competencies; educational innovation, higher education.

Department of Computer Science and Engineering

Entrepreneurship education the teaching of skills and cultivation of talents that students need to start businesses, identify opportunities, manage risk, and innovate in the course of their careers is now a staple of American higher education. As recently as the 1990s, that was far from true. Over the past decade or so, however, the university teaching of entrepreneurship has come of age. History in brief The idea of teaching entrepreneurship is not new. Longtime observers trace it back to 1947, when Harvard University is said to have offered a course in “new enterprises” for returning veterans. The field entered its start-up phase, so to speak, in the 1970s, began developing standardized curricular elements in the 1980s, and in the 1990s entered a period of rapid growth that has continued to this day. Entrepreneurship, a Kauffman Foundation research report found in 2008, “is one of the fastest growing subjects in today’s undergraduate curricula.”

5 types of career opportunities in entrepreneurship

Vote of Thanks

Prof. Issac Paul garu, beloved HOD of CSE Department thanked every student for their active participation and interest in participating in the workshop and mentioned about the activities conducted in the college by the department. He promised that department will continue its assistance in conducting these sort of workshops and seminars in future.

He thanked the technical support given by **Center for Electronics System Design(CESD)**. He personally felt very happy for the response of the company and satisfied with the way they conducted the workshop.

He mentioned about the marvelous support given by the Principal Prof. Dr. K.V.Subrahmanyam garu to the department in conducting these workshops. He also thanked for the personal interest taken by him in encouraging the department in all aspects.

World Entrepreneurs Day celebrated

HANS NEWS SERVICE

Ongole: RISE Krishnasai Prakasam Group of Institutions in Ongole celebrated World Entrepreneurs Day and organised entrepreneurship awareness programme on Wednesday.

The college management said that the college has started the Entrepreneurship Development Cell in the college as a flagship initiative in association with the Pradhan Mantri Kaushal Kendra and SynchroServe. They said that the cell is established with a vision to inspire more number of students to become entrepreneurs while driving the EDC as a mechanism in creating jobs for many more. They said that they had already conducted a number of workshops and pro-

grammes to involve the students in the process of learning and participation.

The management said that the PMKK centre head in Ongole organised an awareness programme on the entrepreneurship skills and challenges, to mark the World Entrepreneurs Day.

The placement officer, T Prasad Babu explained the concepts of entrepreneurship and qualities of the entrepreneur, while another trainer explained about the schemes and opportunities for the budding entrepreneurs with the PMKK.

The college chairman, Sidda Venkateswara Rao, principal Dr AV Bhaskara Rao, EDC coordinator G Sekhar Babu, HoDs of other departments and their staff also participated in the programme.

OBJECTIVES OF CONDUCTING WORKSHOP

To make students learn and interact with renowned industry experts.

Make Students to receive an unparalleled education on the art of “**Awareness Programme on ENTREPRENEURSHIP SKILLS**” with personal one - one attention.

To make every student an expert in **ENTREPRENEURSHIP SKILLS** which would be very useful for developing their own Research projects.

Overview about Workshop

The aim of this workshop is to make the students are going to gain basic knowledge in the field of Research for their projects handled in the B.Tech and upcoming studies. Research methods are very important to implement the projects their academics.

Technical Support:

The workshop was conducted in collaboration with Center for Electronics System Design (CESD) from Vijayawada. The company has a fast growth in various technologies in electronic field along with the research projects designing. The company's director Mr. Finney Daniel accompanied with Seven Trainers attended the workshop for guiding the students in learning the technologies.

Department of CSE:

Department of CSE has taken the opportunity to conduct the workshop in RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS. As the theme of the workshop is the core for the department, it's a nice opportunity for the students to learn the technology and to implement that practically.

Technical Report on Workshop:

The Technical team of Center for Electronics System Design (CESD) has described the entire designing process in a step by step procedure.

Vote of Thanks

Prof. Mr P Isaac Paul beloved HOD of CSE Department thanked every student for their active participation and interest in participating in the workshop and mentioned about the activities conducted in the college by the department. He promised that department will continue its assistance in conducting these sort of workshops and seminars in future.

He thanked the technical support organized by Sri T.Prasad Babu, Placement Officer, Synchroserve, Sri Y.Vidya Sagar, Centre Head, PMKK, Sri Srikanth Setty And Sri Aneesh, Sr. Trainers, APSSDC.

He mentioned about the marvelous support given by the Principal Prof. Dr. K V. Subrahmanyam to the department in conducting these workshops. He also thanked for the personal interest taken by him in encouraging the department in all aspects.

CLOSING REPORT

As per the approved schedule of Rise Krishna Sai Gandhi group of Institutions conducted a one day work shop on "Awareness Programme on Entrepreneurship Skills" on 08-11-2019 at RISE India from 09.00 am to 5.00 pm. 95 students of III B.Tech CSE participated in the programme which was headed by Sri T. Prasad Babu, Placement Officer, Synchroserve, Sri Y. Vidya Sagar, Centre Head, PMKK, Sri Srikanth Setty And Sri Aneesh, Sr. Trainers, APSSDC, Ongole.

We are expecting your support and presence in the future too, we would be thankful on behalf of the Institution.

Thanking you sir,
(Sri T. Prasad Babu, Placement Officer)

OBJECTIVES OF CONDUCTING WORKSHOP

- To make students learn and interact with renowned industry experts.
- Make Students to receive an unparalleled education on the art of “**Fundamentals of Publishing in Top Journals**” with personal one on one attention.
- To make every student an expert in **Fundamentals of Publishing in Top Journals** which would be very useful for developing their own Fundamental Projects.

Overview about Workshop

The aim of this workshop is to make the students are going to gain basic knowledge in the field of Research for their projects handled in the B.Tech and upcoming studies. Research methods are very important to implements the projects their academics.

Technical Support:

The workshop was conducted in collaboration with Center for Electronics System Design (CESD) from Vijayawada. The company has a fast growth in varies technologies in electronic field along with the research projects designing. The company's director Mr. Dr Vinod Kumar Sharma accompanied with Seven Trainers attended the workshop for guiding the students in learning the technologies.

Department of CSE:

Department of CSE has taken the opportunity to conduct the workshop in RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS. As the theme of the workshop is the core for the department, it's a nice opportunity for the students to learn the technology and to implement that practically.

Technical Report on Workshop:

The Technical team of Center for Electronics System Design (CESD) has described the entire designing process in a step by step procedure.

MEANING OF FUNDAMENTAL

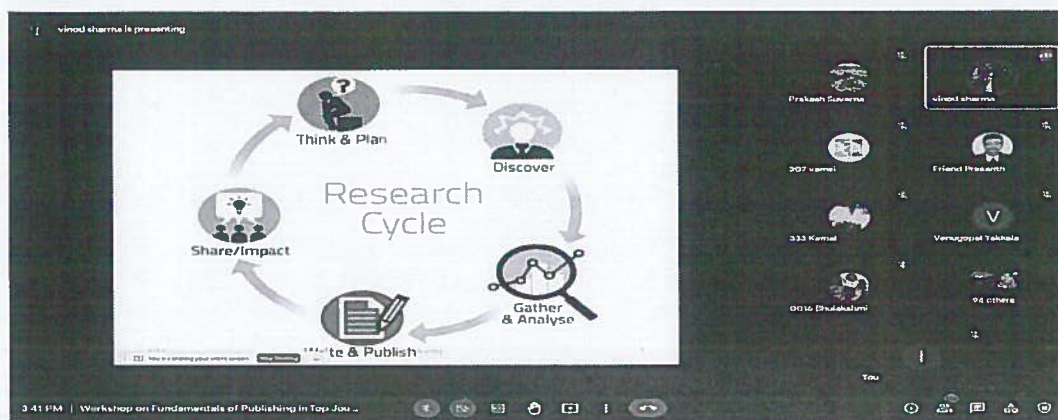

Fundamental in common parlance refers to a search for knowledge. One can also define research as a scientific and systematic search for pertinent information on a specific topic. In fact, research is an art of scientific investigation. The Advanced Learner's Dictionary of Current English lays down the meaning of research as "a careful investigation or inquiry specially through search for new facts in any branch of knowledge.

"1 Redman and Mory define research as a "systematized effort to gain new knowledge.

"2 Some people consider research as a movement, a movement from the known to the unknown.

It is actually a voyage of discovery. We all possess the vital instinct of inquisitiveness for, when the unknown confronts us, we wonder and our inquisitiveness makes us probe and attain full and fuller understanding of the unknown. This inquisitiveness is the mother of all knowledge and the method, which man employs for obtaining the knowledge of whatever the unknown, can be termed as research. Research is an academic activity and as such the term should be used in a technical sense. According to Clifford Woody research comprises defining and redefining problems, formulating hypothesis or suggested solutions; collecting, organizing and evaluating data; making deductions and reaching conclusions; and at last carefully testing the conclusions to determine whether they fit the formulating hypothesis. D. Slesinger and M. Stephenson in the Encyclopedia of Social Sciences define research as "the manipulation of things, concepts or symbols for the purpose of generalizing to extend, correct or verify knowledge, whether that knowledge aids in construction of theory or in the practice of an art.

"3 Research is, thus, an original contribution to the existing stock of knowledge making for its advancement. It is the pursuit of truth with the help of study, observation, comparison and experiment. In short, the search for knowledge through objective and systematic method of finding solution to a problem is research. The systematic approach concerning generalization and the formulation of a theory is also research. As such the term 'research' refers to the systematic method.

OBJECTIVES OF FUNDAMENTAL

"Fundamentals of Publishing in Top Journals" refers to the key principles and practices that researchers and scholars should follow when attempting to publish their work in prestigious academic journals. Publishing in top journals is often considered a significant achievement in the academic world, as it can enhance one's reputation, impact, and career prospects. Here are some fundamental steps and considerations for publishing in top journals:

- Research Quality:** Conduct high-quality research that addresses important questions and contributes to the existing body of knowledge. Ensure that your research is rigorous, well-designed, and methodologically sound.
- Selecting the Right Journal:** Choose the most appropriate journal for your research. Consider the journal's scope, audience, and impact factor. Target journals that are well-regarded in your field.
- Preparing the Manuscript:** Follow the journal's guidelines for manuscript preparation carefully. This includes formatting, referencing style, word count, and any specific requirements. Ensure clarity, conciseness, and adherence to the journal's structure.
- Originality and Contribution:** Clearly articulate the novelty and significance of your research. Explain how your work advances the field and why it's important. Highlight the research gap you are addressing.
- Title and Abstract:** Craft a compelling title and abstract that succinctly convey the essence of your research. These elements often determine whether readers will explore your full paper.
- Citations and References:** Properly cite relevant prior research and provide a comprehensive list of references. This demonstrates your familiarity with the existing literature.

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

NH-16, Valluru, Ongole, Prakasam (District)-523272

Department of Computer Science and Engineering

Peer Review: Expect a rigorous peer review process. Be prepared to address reviewers' comments and criticisms professionally and thoroughly. Revise your manuscript as needed based on feedback.

Ethical Considerations: Adhere to ethical guidelines in your research and writing. Avoid plagiarism, provide proper attribution, and disclose any conflicts of interest or funding sources.

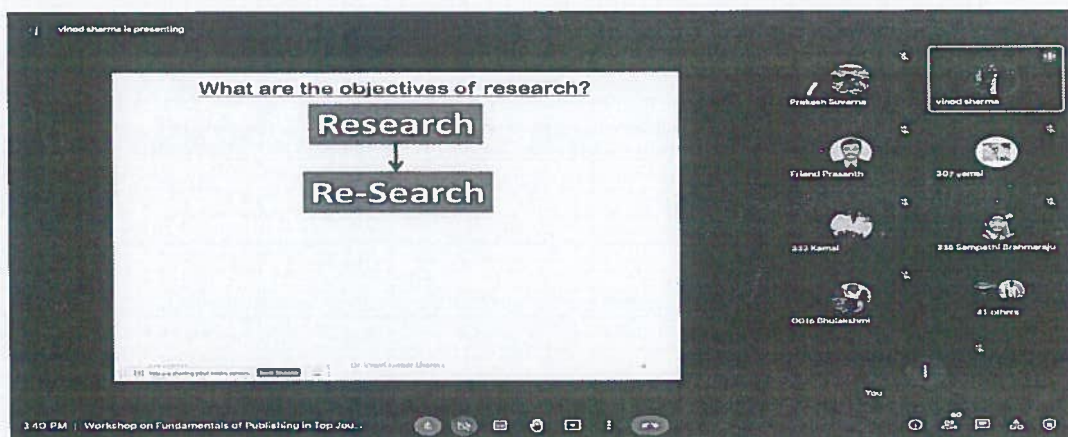

Open Access Options: Consider whether to publish your work in an open-access journal or through a hybrid model. Open access can increase the visibility and accessibility of your research.

Persistence: Be prepared for rejection. Top journals often have high rejection rates. Use rejection as an opportunity to improve your work and try other reputable journals.

• **Collaboration and Networking:** Engage with your academic community by attending conferences, seminars, and workshops. Building a network and collaborating with established researchers can enhance your chances of publishing top journals.

Patience and Perseverance: The publication process can be lengthy. It may take several rounds of submissions and revisions before your work is accepted. Stay patient and persistent.

Promotion and Visibility: After publication, actively promote your work through social media, academic networks, and collaborations. This can increase the visibility and impact of your research.

MOTIVATION ON FUNDAMENTAL

Success and Achievement: Mastering the fundamentals is often the first step towards success and achievement in any endeavor. In the context of publishing in top journals, understanding the fundamental principles and practices can significantly increase the likelihood of acceptance and recognition in the academic community.

Quality and Excellence: Fundamentals represent the foundational principles that ensure quality and excellence in any task. By adhering to these basics, researchers and scholars can produce high-quality, well-structured, and rigorous research papers that stand out in their field.

Efficiency: Knowing the fundamentals can streamline the process. Researchers who are well-versed in the fundamentals of publishing are more efficient in preparing, submitting, and revising their manuscripts, saving time and resources.

Credibility: Following established fundamentals enhances credibility. Researchers who demonstrate a strong understanding of the basics are more likely to be taken seriously by peers, reviewers, and journal editors.

Access to Opportunities: Many top journals have stringent acceptance criteria. A strong grasp of the fundamentals can increase the chances of getting published in these journals, which can open up opportunities for collaboration, funding, and career advancement.

Contribution to Knowledge: Fundamentals ensure that research is conducted ethically and with integrity. By following fundamental principles, researchers contribute to the body of knowledge in a responsible and meaningful way.

Peer Recognition: Peers and colleagues recognize and respect those who demonstrate expertise in the fundamentals. Being proficient in the fundamentals of publishing can lead to invitations to review papers, speak at conferences, and collaborate on research projects.

Personal Growth: Learning and applying fundamentals is a form of personal and professional development. It demonstrates a commitment to continuous improvement and growth in one's field.

Global Impact: Research published in top journals often has a global reach and impact. By adhering to the fundamentals.

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

Department of Computer Science and Engineering

TYPES OF FUNDAMENTALS

These are the core principles and concepts that form the basis of a particular field or subject. They are essential for understanding more advanced topics.

Example: Newton's laws of motion in physics, the periodic table in chemistry, basic arithmetic in mathematics.

Technical Fundamentals:

These are the specific skills and techniques that are crucial for performing tasks or jobs within a particular profession or industry.

Example: Programming languages and coding skills for software developers, laboratory techniques for scientists, diagnostic procedures for healthcare professionals.

Procedural Fundamentals:

These are the step-by-step processes and procedures that guide how tasks or activities are carried out.

Example: Standard operating procedures (SOPs) in manufacturing, research protocols in scientific experiments, the scientific method in research.

Ethical Fundamentals:

These are the moral and ethical principles and guidelines that govern behavior and decision-making within a specific context or profession.

Example: Medical ethics for healthcare professionals, research ethics for scientists, journalistic ethics for journalists.

Communication Fundamentals:

These are the basic principles and techniques for effective communication, including writing, speaking, and interpersonal communication.

Example: Grammar and syntax in language, public speaking skills, active listening techniques.

Financial Fundamentals:

These are the basic concepts and principles related to financial management, including budgeting, investing, and accounting.

Example: Budgeting, compound interest, financial statements, risk assessment in investing.

Leadership Fundamentals:

These are the core principles and skills required for effective leadership and management in various settings.

Example: Communication skills, conflict resolution, decision-making, delegation, strategic planning.

Scientific Fundamentals:

These are the principles and methods used in scientific inquiry and research, including the scientific method, data analysis, and experimentation.

Example: Hypothesis testing, statistical analysis, peer review process.

Human Fundamentals:

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

NH-16, Valluru, Ongole, Prakasam (District)-523272

Department of Computer Science and Engineering

- These encompass the basic understanding of human behavior, psychology, and sociology, which is valuable in various personal and professional contexts.
- Example: Maslow's hierarchy of needs, theories of motivation, group dynamics.
- Health and Wellness Fundamentals:
- These include the principles and practices related to maintaining physical and mental health and well-being.
- Example: Nutrition basics, exercise principles, stress management techniques.
- Environmental Fundamentals:
- These involve knowledge about ecological systems, sustainability, and environmental conservation.
- Example: The carbon cycle, biodiversity, principles of sustainable development.
- Legal Fundamentals:
- These are the foundational principles and concepts of the legal system, including rights, responsibilities, and the rule of law.
- Example: Constitution and constitutional law, contract law, criminal law.

SIGNIFICANCE OF FUNDAMENTALS

Foundation for Learning: Fundamentals serve as the foundation upon which more advanced knowledge and skills are built. Without a solid understanding of the basics, it becomes challenging to grasp complex concepts and excel in higher-level courses or professions.

Problem Solving: Fundamentals provide the tools and knowledge needed to solve problems effectively. They offer a framework for analyzing and addressing challenges in a structured and logical manner.

Critical Thinking: Learning fundamentals encourages critical thinking skills. It teaches individuals to question, analyze, and evaluate information, which is essential for making informed decisions.

Versatility: Fundamental knowledge is often applicable across various contexts and fields. It provides individuals with a versatile skill set that can be adapted to different situations and challenges.

Confidence: Having a strong grasp of fundamentals boosts confidence. When individuals are confident in their foundational knowledge and skills, they are more likely to take on new challenges and pursue their goals with enthusiasm.

Professional Competence: In many professions and industries, proficiency in fundamentals is a prerequisite for success. It ensures that professionals can perform their tasks competently and provide value to their organizations or clients.

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

NH-16, Valluru, Ongole, Prakasam (District)-523272

Department of Computer Science and Engineering

Innovation: While fundamentals provide a solid base, they also serve as a platform for innovation. Creative breakthroughs often occur when individuals build upon established principles and come up with novel ideas.

Continuous Learning: Fundamentals promote a mindset of continuous learning. In rapidly evolving fields, such as technology and science, staying updated on the basics is essential for staying relevant.

Quality and Excellence: A strong understanding of fundamentals is associated with quality and excellence in any field. It sets the standard for high-quality work and prevents errors or shortcuts that may compromise quality.

Teaching and Mentorship: Proficiency in fundamentals enables individuals to teach and mentor others effectively. It empowers them to pass on knowledge and skills to the next generation, contributing to the growth of society and the workforce.

Vote of Thanks

Prof. P .Issac Paul garu, beloved HOD of CSE Department thanked every student for their active participation and interest in participating in the workshop and mentioned about the activities conducted in the college by the department. He promised that department will continue its assistance in conducting these sort of workshops and seminars in future.

He thanked the technical support given by **Center for Electronics System Design(CESD)**. He personally felt very happy for the response of the company and satisfied with the way they conducted the workshop.

He mentioned about the marvelous support given by the Principal Prof. Dr.K V Subrahmanyam garu to the department in conducting these workshops. He also thanked for the personal interest taken by him in encouraging the department in all aspects.

CLOSING REPORT

As per the approved schedule of RISE Krishna Sai Gandhi Group of Institutions conducted a one day work shop on "Fundamentals of publishing in top journals" on 17-09-2021, online from 10.00 am to 5.00 pm. 99 students of III CSE participated in the programme which was headed by Dr Vinod Kumar Sharma, Director, center for electronics system design, Vijayawada.

We are expecting your support and presence in the future too, we would be thankful on behalf of the Institution.

Thanking you sir,
(Dr Vinod Kumar Sharma)

CIRCULAR

All the I.B.Tech students are hereby informed that we are conducting a workshop on "Funding for Engineering Projects" by Dept of S&H from 06-09-2019 to 07-09-2019 between 9:30 am to 4:30 pm at Seminar Hall. Prof. Vinuthna Challapalli, woman Scientist-A, Department of Science & Technology, India will take the session. All the students are required to attend the programme without fail.

FUNDING FOR ENGINEERING PROJECTS**

(06-09-2019
to 07-09-2019)

Resource person
Mrs. VINUTHNA CHALLAPALLI
Woman Scientist-A, DST, INDIA.

Organized by Department of Science & Humanities

Vinuthnachallapalli Is working on the topics “Detail-Oriented Chemist with expertise in the synthesis and characterization of materials, coordinating testing and development. Proficient in developing new applications, products generating intellectual properties, and providing technical solutions. Trained in instrumentation and analytical methods”.

She was published nearly 11 papers in various National and International reputed Journals.

She is doing research work along with the Professors

Dr.V.NarayanaKalevaru, Group Leader, Leibniz Institute for Catalysis at University Rostock, Germany

Dr. Yadagiri Swami, Professor, Department of chemistry, Osmania University, Hyderabad

She was awarded Woman Scientist-A, Department of Science & Technology, INDIA

When she is working in NIZAM College, Osmania University, Hyderabad, Telangana, India in Apr 2015

Her Educational Degrees are

Ph.D. Magnetic Nanoparticles – Awarded -2018

Osmania University, Hyderabad, Telangana, India.

M.Sc. (Medicinal Chemistry) - 69.3 %

Sri Venkateswara University Campus, Tirupati, A.P. – 2004

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

NH-16, Valluru, Ongole, Prakasam (District)-523272

DEPARTMENT OF SCIENCES & HUMANITIES

B.Sc. (Botany, Zoology, Chemistry) - 61.8 %

AcharyaNagarjunaUniversity of Guntur, A.P. – 2001

Workshop Schedule:

A Two-day workshop on getting funding for projects in an engineering college is a great initiative to empower students, faculty, and researchers with the knowledge and skills they need to secure funding for their innovative ideas and projects. Here's a suggested agenda and some key points to cover during the workshop:

Day 1:

Understanding the Funding Landscape

Session 1: Introduction (Morning Session)

Welcome and registration, Overview of the workshop objectives and schedule

Ice-breaking activities to build a sense of community

Session 2: Types of Funding (Morning Session)

Understanding the various sources of funding for engineering projects:

Government grants and agencies, Private sector sponsors

Crowdfunding, Venture capital, Angel investors

Case studies of successful projects funded through different channels

Session 3: Proposal Writing (Afternoon Session)

The art of writing a compelling project proposal:

Project title and abstract, Problem statement, Objectives and goals

Methodology, Budget and financial projections, Evaluation and impact assessment

Group activity: Drafting a project proposal

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

NH-16, Valluru, Ongole, Prakasam (District)-523272

DEPARTMENT OF SCIENCES & HUMANITIES

Day 2:

Session 4: Research Ethics and Compliance (Morning Session)

Ensuring your project complies with ethical standards and regulations

Addressing potential ethical challenges in engineering projects

Session 5: Networking and Building Partnerships (Morning Session)

The importance of building relationships with potential funders and collaborators

Practical tips for effective networking

Case studies of successful partnerships

Session 6: Pitching Your Project (Afternoon Session)

Crafting a compelling pitch presentation:

Elevator pitch

Investor pitch

Grant proposal presentation

Group activity: Preparing and delivering short project pitches

Session 7: Mock Grant Review Panel (Afternoon Session)

Simulate a grant review panel where participants present their project proposals

Receive feedback and constructive criticism from the panel

Discuss common mistakes and best practices in grant applications

Session 8: Closing Remarks and Next Steps (Late Afternoon)

Recap of key takeaways from the workshop

Encourage participants to form project teams and seek funding for their ideas

Provide information on additional resources and support available within the engineering college

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

NH-16, Valluru, Ongole, Prakasam (District)-523272

DEPARTMENT OF SCIENCES & HUMANITIES

Objectives Of Conducting Workshop:

It's important to encourage interaction, engagement, and practical application of the knowledge shared. Provide handouts, templates, and resources to help participants in their funding journey. Additionally, consider inviting guest speakers who have experience in securing funding for engineering projects to share their insights and success stories.

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)
NH-16, Valluru, Ongole, Prakasam (District)-523272

DEPARTMENT OF SCIENCES & HUMANITIES

Vote Of Thanks:

Ms.P.Sridevi beloved HOD of Department thanked every student for their active participation and interest in participating in the workshop and mentioned about the activities conducted in the college by the Department. She promised that department will continue its assistance in conducting these sorts of workshops and seminars in future.

She mentioned about the marvelous support given by the Principal Prof. Dr. K V. Subrahmanyam to the department in conducting these workshops. She also thanked for the personal interest taken by him in encouraging the department in all aspects.

Closing Report:

As per the approved schedule of RISE Krishna sai Gandhi group of Institutions we have conducted a two-day work shop on "Funding for Engineering Projects." at Seminar Hall from 06-09-2019 to 07-09-2019 between 09.30 am to 4. 30 pm. The students of total 119 have participated in this programme. The workshop headed by Prof." Vinuthna Challapalli", Woman Scientist-A, Department of Science & Technology, India.

We are expecting your support in future also, we would always be thankful to you.

Yours faithfully,

Coordinator

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

Workshop Schedule:

Day 1:

1. Morning Session: Introduction to Funding Opportunities
Welcome and Registration., Introduction to the Workshop and its Goals.
Importance of Funding in Research and Projects.
Overview of Funding Sources (Government, Industry, NGOs, etc.).
Identifying Suitable Funding Agencies, Q&A Session.
2. Mid-Morning Session: Proposal Writing Basics
Elements of a Successful Proposal, Structuring a Proposal.
Budget Planning and Justification, Case Studies of Successful Proposals.
Hands-on Exercise: Proposal Outline.
3. Lunch Break
Afternoon Session: Grant Application Process
Navigating Funding Agency Websites, Key Dates and Deadlines.
Common Mistakes to Avoid, Peer Review Process.
Tips for a Competitive Application, Q&A Session.

Day 2:

1. Morning Session: Workshop for Students
Review of Day 1.
Group Work: Proposal Writing Simulation.
Feedback and Discussion on Simulated Proposals.
Role Play: Mock Proposal Review Panel, Advice on Collaborative Proposals.
2. Mid-Morning Session: Faculty's Role in Securing Funding
Faculty as Principal Investigators (PIs).
Collaborative Research and Multi-disciplinary Projects.
Institutional Support for Faculty, Promoting a Culture of Research.
Q&A Session.
3. Lunch Break
Afternoon Session: Successful Grant Management
Grant Acceptance and Project Setup.
4. Compliance and Reporting.
Managing Funds Effectively, Handling Project Challenges.
Case Studies of Successful Projects, Closing Remarks and Certificates.
5. Collect feedback from participants for future improvements.

Objectives Of Conducting Workshop:

A Two-day workshop on project preparation and funding application in Engineering colleges can be a valuable opportunity to equip students and faculty with the skills and knowledge they need to succeed in their project endeavors.

To provide students and faculty with the skills and knowledge necessary for effective project preparation and successful funding application in engineering.

It's crucial to have knowledgeable and experienced facilitators or instructors to lead each session effectively. Encourage participants to bring their project ideas and provide them with templates and resources to start their project proposals during the workshop.

Closing Report:

As per the approved schedule of RISE Krishna sai Gandhi group of Institutions we have conducted a two-day work shop on "Funding Projects Opportunities." at Seminar Hall from 12-09-2022 to 13-09-2022 between 09.30 am to 4. 30 pm. The students of total 94 have participated in this programme. The workshop headed by Prof." Vinuthna Challapalli", Woman Scientist-A, Department of Science & Technology, India.

We are expecting your support in future also, we would always be thankful to you.

Yours faithfully,

N. Madhu Babu
Coordinator

A One-Day Workshop On

PROJECT PREPARATION AND FUNDING APPLICATION IN ENGINEERING

(17-10-2020)

Resource person

Mrs. VINUTHNA CHALLAPALLI
Woman Scientist-A, DST, INDIA.

Organized by Department of S&H

Vinuthna Challapalli is working on the topics "Detail-Oriented Chemist with expertise in the synthesis and characterization of materials, coordinating testing and development. Proficient in developing new applications, products generating intellectual properties, and providing technical solutions. Trained in instrumentation and analytical methods".

She was published nearly 11 papers in various National and International reputed Journals.

She is doing research work along with the Professors

Dr.V.NarayanaKalevaru Group Leader, Leibniz Institute for Catalysis at University Rostock, Germany

Dr. Yadagiri Swami Professor, Department of chemistry, Osmania University, Hyderabad

She was awarded Woman Scientist-A, Department of Science & Technology, INDIA

When she is working in NIZAM College, Osmania University, Hyderabad, Telangana, India in Apr 201

Her Educational Degrees are

Ph.D. Magnetic Nanoparticles – Awarded -2018

Osmania University, Hyderabad, Telangana, India.

M.Sc. (Medicinal Chemistry) - 69.3 %

Sri Venkateswara University Campus, Tirupati, A.P. – 2004

B.Sc. (Botany, Zoology, Chemistry) - 61.8 %

Workshop Schedule:

Title: Workshop on Project Preparation and Funding Application in Engineering

Date and Time: 17-10-2020 AT 9.30 A.M.

Location: Seminar Hall, Rise Krishna Sai Gandhi Group Of Institutions, Ongole, Ap, India.

Agenda:

Session 1: Mornines}ession

Introduction to Project Planning

1. Welcome and Registration (30 minutes)

Registration of participants

2. Opening Remarks (15 minutes)

Overview of the workshop objectives

3. Invite a guest speaker who has successfully secured funding for an engineering project to share their experience and insights.

Understanding Project Basics (1 hour)

Defining project goals and objectives, Identifying stakeholders and their roles

4. Project Planning and Management (1 hour), Project lifecycle, Setting project milestones and timelines, Resource allocation

5. Lunch Break (1 hour), **Session 2: Afternoon Session**

Funding for Engineering Projects

6. Types of Funding Sources (1 hour)

Government grants and programs, Corporate sponsorships, Crowdfunding, Private investors

7. Writing a Winning Proposal (1.5 hours)

Key components of a project proposal, Tips for effective proposal writing

8. Break (15 minutes)

9. Case Study: Successful Project and Funding Application (1.5 hours)

10. Interactive Session: Proposal Writing (1 hour)

Participants work in groups to start drafting a project proposal with guidance from instructors.

11. Questions & Answers and Wrap-up (30 minutes)

Objectives Of Conducting Workshop:

A one-day workshop on project preparation and funding application in Engineering colleges can be a valuable opportunity to equip students and faculty with the skills and knowledge they need to succeed in their project endeavors.

To provide students and faculty with the skills and knowledge necessary for effective project preparation and successful funding application in engineering.

It's crucial to have knowledgeable and experienced facilitators or instructors to lead each session effectively. Encourage participants to bring their project ideas and provide them with templates and resources to start their project proposals during the workshop.

Vote Of Thanks:

Ms.P.Sridevi beloved HOD of Department thanked every student for their active participation and interest in participating in the workshop and mentioned about the activities conducted in the college by the Department. She promised that department will continue its assistance in conducting these sorts of workshops and seminars in future.

She mentioned about the marvelous support given by the Principal Prof. Dr. K V. Subrahmanyam to the department in conducting these workshops. She also thanked for the personal interest taken by him in encouraging the department in all aspects.

Closing Report:

As per the approved schedule of RISE Krishna sai Gandhi group of Institutions we have conducted a one-day work shop on "Project Preparation and Funding Application in Engineering" at Seminar Hall on 17-10-2020 from 09.30 am to 4. 30 pm. The students of total 108 have participated in this programme. The workshop headed by Prof."Vinuthna Challapalli", Woman Scientist-A, Department of Science & Technology, India.

We are expecting your support in future also, we would always be thankful to you.

Yours faithfully,

Coordinator

Date: 19-11-2018

CIRCULAR

All the I.B.Tech students are hereby informed that we are conducting a workshop on "Project Preparation and Funding Application in Engineering" by Dept of S&H on 24-11-2018 between 9:30 am to 4:30 pm at Seminar Hall. Prof. Vinuthna Challapalli, woman Scientist-A, Department of Science & Technology, India will take the session. All the students are required to attend the programme without fail.

Guest Speaker Profile:

A Two-Day Workshop On

**PROJECT PREPARATION AND
FUNDING APPLICATION IN ENGINEERING**

Date : 24-11-2018

Resource person

Mrs. VINUTHNA CHALLAPALLI

Woman Scientist-A, DST, INDIA.

Organized by

Department of Science & Humanities

Vinuthna Challapalli is working on the topics "Detail-Oriented Chemist with expertise in the synthesis and characterization of materials, coordinating testing and development. Proficient in developing new applications, products generating intellectual properties, and providing technical solutions. Trained in instrumentation and analytical methods".

She was published nearly 11 papers in various National and International reputed Journals.

She is doing research work along with the Professors

Dr.V.NarayanaKalevaru, Group Leader, Leibniz Institute for Catalysis at University Rostock, Germany

Dr. Yadagiri Swami, Professor, Department of chemistry, Osmania University, Hyderabad

She was awarded Woman Scientist-A, Department of Science & Technology, INDIA

When she is working in NIZAM College, Osmania University, Hyderabad, Telangana, India in Apr 2015

Her Educational Degrees are

Ph.D. Magnetic Nanoparticles – Awarded -2018

Osmania University, Hyderabad, Telangana, India.

M.Sc. (Medicinal Chemistry) - 69.3 %

Sri Venkateswara University Campus, Tirupati, A.P. – 2004

B.Sc. (Botany, Zoology, Chemistry) - 61.8 %

AcharyaNagarjunaUniversity of Guntur, A.P. – 2001

Workshop Schedule:

Title: Project Preparation and Funding Application in Engineering

Date and Time: 24-11-2018 Duration: 1 day

Location: Seminar Hall, Rise Krishna Sai Gandhi Group of Institutions.

Session 1: Morning Session

Introduction to Project Planning

1. Welcome and Registration (30 minutes)

Registration of participants, Distribution of workshop materials

2. Opening Remarks (15 minutes)

Overview of the workshop objectives

3. Understanding Project Basics (1 hour)

Defining project goals and objectives, Identifying stakeholders and their roles

4. Project Planning and Management (1 hour)

Project lifecycle, Setting project milestones and timelines, Resource allocation

5. Lunch Break (1 hour)

Session 2: Afternoon Session

Funding for Engineering Projects

6. Types of Funding Sources (1 hour)

Government grants and programs, Corporate sponsorships, Crowdfunding, Private investors

7. Writing a Winning Proposal (1.5 hours)

Key components of a project proposal

8. Break (15 minutes)

9. Case Study: Successful Project and Funding Application (1.5 hours)

10. Interactive Session: Proposal Writing (1 hour)

Participants work in groups to start drafting a project proposal with guidance from instructors.

11. Q&A and Wrap-up (30 minutes)

Addressing participants questions and summarizing key

RSSE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

DEPARTMENT OF SCIENCES & HUMANITIES

Objectives Of Conducting Workshop:

To provide students and faculty with the skills and knowledge necessary for effective project preparation and successful funding application in engineering.

A one-day workshop on project preparation and funding application can be a valuable opportunity to equip students and faculty with the skills and knowledge they need to succeed in their project endeavors.

It's crucial to have knowledgeable and experienced facilitators or instructors to lead each session effectively. Encourage participants to bring their project ideas and provide them with templates and resources to start their project proposals during the workshop.

Vote Of Thanks:

Ms.P.Sridevi beloved HOD of Department thanked every student for their active participation and interest in participating in the workshop and mentioned about the activities conducted in the college by the Department. She promised that department will continue its assistance in conducting these sorts of workshops and seminars in future.

She mentioned about the marvelous support given by the Principal Prof. Dr. K V. Subrahmanyam to the department in conducting these workshops. She also thanked for the personal interest taken by him in encouraging the department in all aspects.

Closing Report:

As per the approved schedule of RISE Krishna sai Gandhi group of Institutions we have conducted a one-day work shop on "Project Preparation and Funding Application in Engineering." at Seminar Hall on 24-11-2018 from 09.30 am to 4.30 pm. The students of total 111 have participated in this programme. The workshop headed by Prof." Vinuthna Challapalli", Woman Scientist-A, Department of Science & Technology, India.

We are expecting your support in future also, we would always be thankful to you.

Yours faithfully,

Coordinator

Report on

“Guest Lecture on Antenna Design Using HFSS”.

A Guest Lecture on Antenna design using HFSS was successfully conducted in the RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS, Ongole, on Date: 6th November 2022 by Department of Electronics and Communication Engineering. The workshop program received an overwhelming response with 668 participants from our institution & Rise Krishna Sai Prakasam Group of Institutions.

Dates: 6th November 2022

The poster features the RISE Krishna Sai Gandhi Group of Institutions logo in the top left corner. The text on the poster includes the institution's name, affiliation with JNTUK, Kakinada, and AICTE, New Delhi, and the address: NH-16, Valluru, ONGOLE- 523 272 Prakasam District Andhra Pradesh. The department is identified as Dept. of Electronics and Communication Engineering. The main title is 'GUEST LECTURE On Antenna Design Using HFSS' with the date 'Date: 06.11.2022'. A circular portrait of Dr. P. Surendrakumar is shown on the left. A grey arrow-shaped box on the right contains his name 'DR. P.SURENDRAKUMAR', his title 'Associate Professor', and his affiliation 'Bapatla Engineering College, Bapatla'.

Duration: 11:00 AM to 12:30

Schedule:

11:00 AM	Inauguration
11:05 AM	Principal Speech
11:10 AM	Secession Start
12:15 PM	Interaction with Audience
12: 30 PM	Vote of Thanks

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

Dept. of Electronics and Communication Engineering

About the Program:

The main objective of this lecture is to explore the importance of antenna in future generations. Apart from the theoretical content about antenna one needs to know about the antenna designing process. There are number of designing tools available for the antenna. Mainly, preferred HFSS for the designing. The reason behind is the accuracy and user interface in the tool, And the next reason is most of the companies familiar with the HFSS due to the performance of the software.

Inaugural Session:

The program was inaugurated in the morning at 6th November 2022 by hands of Dr. P. SURENDRA KUMAR(Associate Professor) Prof. K. V. SUBRAHMANYAM(Principal), Mr. S. V. RAVI KUMAR(HOD), Dr. S. V. V. N.CHANUKYA.PADIRA(Coordinator,Webinar).

In welcome speech, Hon. Principal Dr. K. V. SUBRAHMANYAM shared his views with the participants that if faculty & student get awareness on importance of antennas in future generations, then attending such lecture programs, students knows “the designing process of antennas”. He briefed the participants about the subject chosen for the lecture and highlighted the reasons and importance of the same.

In the inaugural speech, Dr. P. Surendra Kumar gave introduction and importance of HFSS antenna.

Dr. P. SURENDRA KUMAR Delivers the following Topics

1. Introduction to Antennas and its architectures.
2. Importance of Antenna in 5G applications.
3. Discussion about Antenna parameters.
4. Antenna-related HFSS such as radiating boundaries.
5. Energy absorption from different angles.
6. Working on HFSS and the Importance of HFSS with other tools
7. Design structure of various antennas.

The following feedback was received from the participants:

1. 96% of the participants felt that the delivery and presentation of the guest was good.
2. 90% of the participants were of the opinion that the lecture provides awareness about the antennas.
3. 90% of the participants felt that the guest lecture was coordinated very well.
4. Participants felt that such guest lectures should be arranged regularly.

CLOSING REPORT

As per the approved schedule of RISE Krishna Sai Gandhi group of Institutions a Guest lecture on "Antenna Design HFSS" was conducted on 05-11-2022 at ECE MPMC Lab, from 10:00 am to 5:00 pm. 66 students of IV ECE participated in the programme which was headed by Dr. P.SURENDRA KUMAR, Associate Professor, Bapatla Engineering College.

We are expecting your support and presence in the future too, we would be thankful on behalf of the Institution.

Thanking you sir,

Yours faithfully,

(K. NAGA HANUMACHARI)

OBJECTIVES OF CONDUCTING WORKSHOP

- To make students learn and interact with renowned industry experts.
- Make Students to receive an unparalleled education on the art of “**Intellectual property: copyright, Trademarks and patents**” with personal one - one attention.
- To make every student an expert in **Intellectual property** which would be very useful for developing their own Research projects.

Overview about Workshop

The aim of this workshop is to make the students are going to gain basic knowledge in the field of Research for their projects handled in the B.Tech and upcoming studies. Research methods are very important to implement the projects their academics.

Technical Support:

The workshop was conducted in collaboration with Center for Electronics System Design (CESD) from Vijayawada. The company has a fast growth in various technologies in electronic field along with the research projects designing. The company's director Mr. Finney Daniel accompanied with Seven Trainers attended the workshop for guiding the students in learning the technologies.

Department of CSE:

Department of CSE has taken the opportunity to conduct the workshop in RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS. As the theme of the workshop is the core for the department, it's a nice opportunity for the students to learn the technology and to implement that practically.

Technical Report on Workshop:

The Technical team of Center for Electronics System Design (CESD) has described the entire designing process in a step by step procedure.

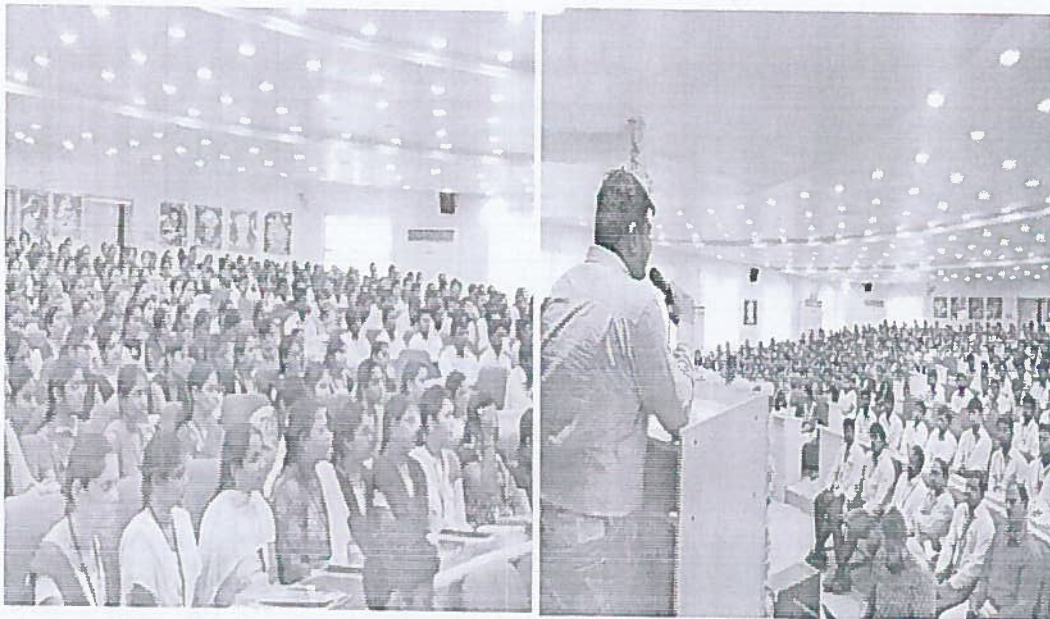

Intellectual property: copyright, Trademarks, and patents

Objectives:

1. To develop IPR Values mind set in the students
2. To plan for Patents or Journals with clarity
3. To present with confidence

Outcomes:

1. Students have changed attitude towards IPR Rights.
2. Students got overview on Patents, Journals etc.
3. Leadership skills and Innovative thinking improved
4. Students are preparing for filing their Patents.

Vote of Thanks

Prof. Issac Paul garu, beloved HOD of CSE Department thanked every student for their active participation and interest in participating in the workshop and mentioned about the activities conducted in the college by the department. He promised that department will continue its assistance in conducting these sort of workshops and seminars in future.

He thanked the technical support organized by **Mr. M. Janakiram, Associate Professor (MBA Department), EDC Dean**. He personally felt very happy for the response of the company and satisfied with the way they conducted the workshop.

He mentioned about the marvelous support given by the Principal Prof. Dr. A.V. Bhaskara Raogaru to the department in conducting these workshops. He also thanked for the personal interest taken by him in encouraging the department in all aspects.

OBJECTIVES OF CONDUCTING WORKSHOP

To make students learn and interact with renowned industry experts.

Make Students to receive an unparalleled education on the art of “**Industry – Academia Conclave**” with personal one - one attention.

To make every student an expert in **Industry** which would be very useful for developing their own Research projects.

Overview about Workshop

The aim of this workshop is to make the students are going to gain basic knowledge in the field of Research for their projects handled in the B.Tech and upcoming studes. Research methods are very important to implements the projects their academics.

Technical Support:

The workshop was conducted in collaboration with Center for Electronics System Design(CESD) from Vijayawada. The company has a fast growth in varies thechonologes in electronic filed along with the research projects designing. The company’s direc tor Mr. Finney Daniel accompanied with Seven Trainers attended the workshop for guiding the students in learning the technologies.

Department of CSE:

Department of CSE has taken the opportunity to conduct the workshop in RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS. As the theme of the workshop is the core for the department, it’s a nice opportunity for the students to learn the technology and to implement that practically.

Technical Report on Workshop:

The Technical team of Center for Electronics System Design (CESD) has described the entire designing process in a step by step procedure.

GUEST LECTURE ON INDUSTRY – ACADEMIA CONCLAVE, 2018 BY APITA, GOVT. OF ANDHRA PRADESH DT. 24 NOV, 2018: ABOUT SPEAKERS

1. Mr. Winny Patro, CEO (Additional), APITA, Govt. of Andhra Pradesh

Winny Patro is known for his leadership skills in setting up and scaling up organizations. He is the Business Advisor to PadmaShri Dr. Arunachalam Muruganatham (regarded as one of the top 50 greatest leaders in the world by Fortune) and also advisor for few growth stage startups in India.

Till recently, Winny Patro served Government of Andhra Pradesh in building globally connected entrepreneurial ecosystem. With his prior experience as an entrepreneur and business consultant, he transformed low performing Govt organizations into a very high performing in less than one year. Earlier, Patro co-founded 3 ventures in digital/e-commerce space and mentored 5+ startup founders. Alongside entrepreneurship, he spearheaded consulting projects in setting up and scaling up of e-commerce businesses for medium-large size retailers in fashion and sport goods.

Besides these, Winny Patro is a passionate coach. He mentors many students in technology, management and entrepreneurship related areas. He is also a Guest faculty on Ecommerce & Modern Online Branding/Marketing at Institutes like IIM-Indore (Mumbai Campus), IIIT Gwalior, etc He is a post-graduate from IIM Calcutta along with the certificate of appreciation for providing free consultancy services to NGOs in West Bengal. Prior to MBA, he founded an NGO, Generation Zaagruthi, which works towards developing life skills among under privileged children. He has a degree in Electronics & Instrumentation Engineering with accomplishments in the field of Bio-Medical Instrumentation.

2. Mr. Jignesh Talasila, CEO, Loop Reality:

Mastered the art of creating immersive assessments through contextual simulations & non-contextual games in VR. With a passionate team of Hackers & Psychologists, innovating the ways to effectively assess personality, behavior & cognitive abilities of a candidate to find his/her true potential & culture fit, at a modern workplace.

Being one of the pioneers in Indian VR scene, Jignesh has been advising innovation teams of MNCs and Govt. organizations, to find immediate ways for technology adoption. He has also taken a long journey of creating awareness and evangelizing the technology by building a VR/AR community through Bonfire VR. During his tenure with Conduira Online, India's leading e-training portal for competitive exams, he did spend time launching, leading & growing sales. His prior career included the startup he established with a group of enablers in developing parallel practical curriculum for K12.

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

NH-16, Valluru, Ongole, Prakasam (District)-523272

Department of Computer Science and Engineering

Through Dirt9 Education his team could create a strong positive impact in learning methodologies for more than 2,000 students. During his tenure at Accenture, he worked with a leading premium fashion retailer in risk mitigation & market trend analysis. His passion to foster innovation & entrepreneurship made him bring up a science & activity center at his alma mater GITAM University, which has brought more than 15,000 students to collaborate & develop through diverse projects driving social impact in 10+ verticals. He has been one of the top contributors for the projects like Solar Car & Hydel Powered Water Pump for agriculture along with the robot that was presented at National Lunabotics competition at NASA.

His background in core mechanical engineering got him hands-on experience in R&D through his work on coatings using nano materials for a project from VRDE (Vehicle Research & Development Establishment), a unit of DRDO. 1. Mr. Murty Indrakanti, CEO, Lave Consulting Services Murty Indrakanti, the C.E.O and founder of LAVE Solutions, is a seasoned pre-sales, project delivery executive, and strategist. With over 25 years of successful track record, Murty holds an expertise in solutioning, stakeholder management at various CXO levels, Innovation management, Contract management, Service Delivery, Demand management, Financial management and Managing communications and expectations.

As a former Vice President in Accenture, Project Executive in IBM and a senior Manager in ING Bank, Murty handled over 500 resources across various countries and domains such as Government, Banking, Telecom, Healthcare, and Retail. His zeal to learn earned him a Master's in Computer Science during his early years from BITS Pilani. He continued to pursue his thirst for knowledge by completing his Master's in Business Administration soon after. He is certified as a Solution Architect, IBM certified PMP as well as an Information Security Lead Auditor (BS27001).

Murty is conducting faculty development program along with NIT-W on Big Data, Data Security and Privacy, Soft skills and Business Analytics programs. Currently, following his mantra that learning never stops, he is pursuing his PhD in Business Analytics from NIT Warangal.

On

**“WHY IP IS IMPORTANT IN
ACADEMIA”**

Date: 8TH OCT 2019

Dr. Abhay Jere

Chief Innovation Officer, MOE's Innovation Cell

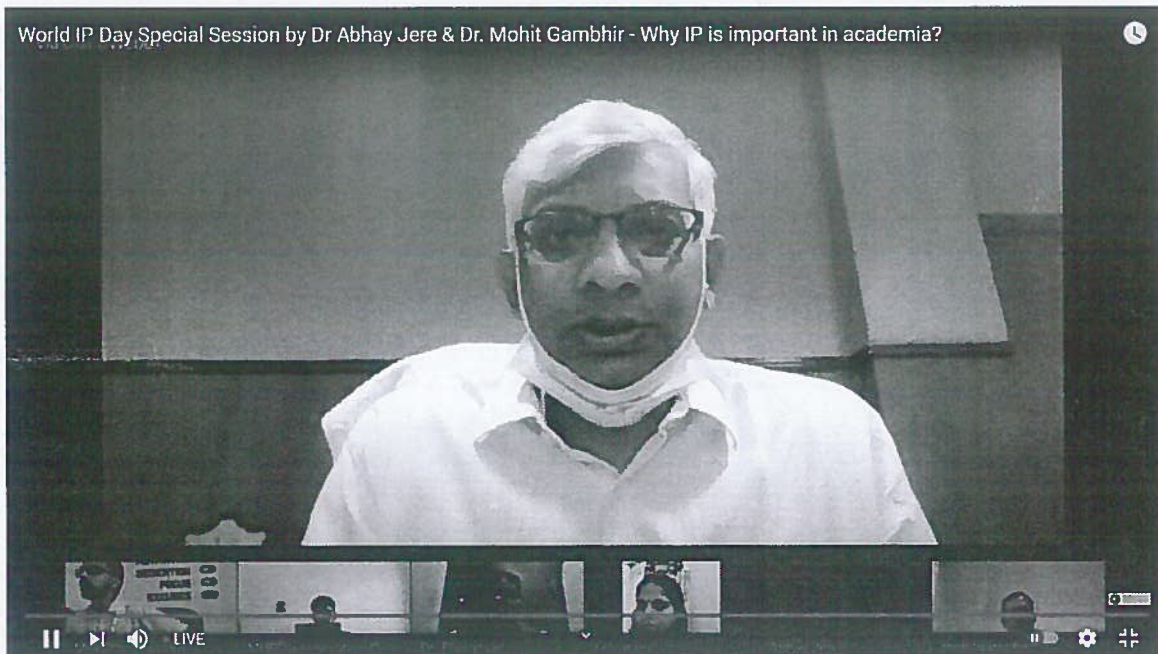

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS
(Approved by AICTE & affiliated to JNTUK, Kakinada)
NH-16, Valluru 523272, Prakasam District

REPORT ON “WHY IP IS IMPORTANT IN ACADEMIA?”

IIC of RISE Krishna Sai Gandhi Group of Institutions has motivated students and faculty of the institution to participate in the session “Why IP is important in Academia?” organized by the Ministry of Education (MoE's) on 26th of April 2021 on the eve of world IP day. Around 15 students have attended and 4 faculty from the college have attended, and we were enlightened with the importance of IP in Academia.

Dr. Abhay Jere, Chief Innovation Officer, MoE's Innovation Cell have enlightened us how MSME can solve the employment crisis and large number of ideas that can be converted into a small & medium scale industry. We are very happy that MoE's has initiated to give the financial support to the institutions which are filing IP.

Dr. Abhay Jere, Chief Innovation Officer, MoE's Innovation Cell

Dr. Mohit Gambhir, Innovation Director, MoE's Innovation Cell has presented where India stands in patents filing and the importance of improving our stand in the world by filing more number of patents filing and getting awarded. He has also discussed the vision of various eminent persons who had a futuristic idea and how it is getting impacted in the present. The several innovations came from various institutions.

World IP Day Special Session by Dr. Abhay Jere & Dr. Mohit Gambhir - Why IP is important in academia?

Introduction Contd..

- In the knowledge-oriented economy, universities and research institutions play a key and dynamic role in the economy.
- Universities and research institutions are entangled in many types of researches with enormous potential of creating value and attend the problems in the society.

World IP Day Special Session by Dr. Abhay Jere & Dr. Mohit Gambhir - Why IP is important in academia?

India's Research and Innovation output

Number of Patents:
World Intellectual Property Organization (WIPO) 2019 report,
China: 14,00,661 patent applications
USA: 6,21,453
India: 53,627 approximately 68% were made by non- residents.

Number of Publications:
2018 compilation of Science and Engineering Indicators U.S National Science Foundation
USA (17.8%) and China (18.6%) published approximately four times as many articles as India in 2016.

Quality of Research:
Total number of Publications India stands at the 5th position.
Publications in top 10 journals: **15.8%**
China: 27.6%
USA: 36.2%.

3. To present with confidence

Outcomes:

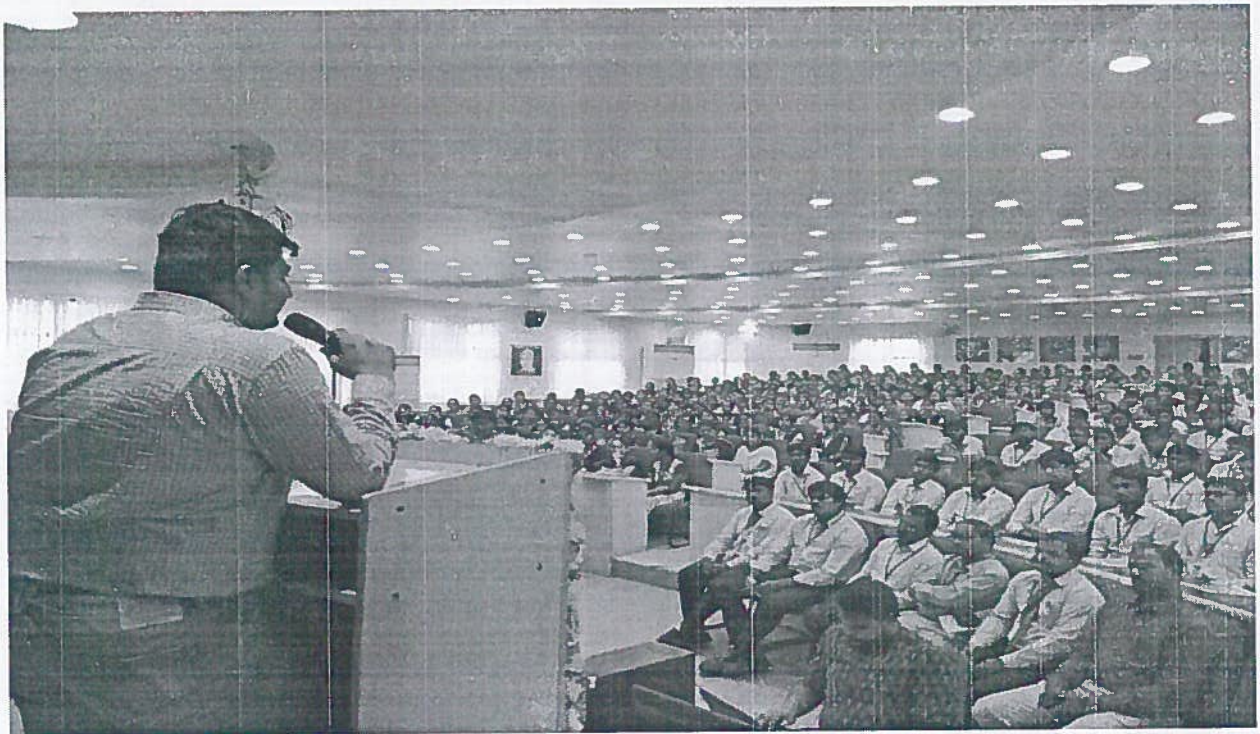

1. Students have changed attitude towards IPR Rights.
2. Students got overview on Patents, Journals etc.
3. Leadership skills and Innovative thinking improved
4. Students are preparing for filing their Patents.

Date: 06-01-2021.

CLOSING REPORT

As per the approved schedule of RISE Krishna Sai Gandhi group of Institutions a 1-day workshop on "Intellectual property: copyright, Trademarks and patents" was conducted on 04-01-2021 at RISE INDIA, from 10:00 am to 5:00 pm. 127 students of III ECE participated in the programme which was headed by Mr. M. Janakiram, Associate professor, MBA Department, EDC-Dean of PACE IT & S.

We are expecting your support and presence in the future too, we would be thankful on behalf of the Institution.

Thanking you sir,

Yours faithfully,

(K. NAGA HANUMACHARI)

Funding FDPs/Workshops / Research Projects :

❖ Sanctioned 2Lakh fund from AICTE under the scheme of Mission Amrit Sarovar - Jal Dharohar Sanrakshan.

❖ Sanctioned 5Lakh Fund from AICTE under the scheme of Skill India- Skill Development.

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

NH-16, Valluru, Ongole, Prakasam (District)-523272

DEPARTMENT OF SCIENCES & HUMANITIES

- ❖ Applied training for students under the scheme of MSME-ZED, Govt. of India
- ❖ Applied project proposals to establish Incubation center under MSME, Govt. of India.
- ❖ Applied one Funding FDP on Microwave Tubes and Applications in ATAL-AICTE, Doc.No: 1584105614. <https://atalacademy.aicte-india.org/co-ordinator/preview/1584105614>.
- ❖ Applied one Funding FDP on Sensor Networks, Internet of Things(IoT) and Internet of Everything in SERB Training programmes : in-house Short term training/FDP Programmes for Faculty/UG/PG/Doctoral Students of two weeks duration. Registration No. : TPN / 26124
- ❖ Applied a Funding Research Proposal on "Design and analysis of microstrip antennas for 5G mobile communication Using Millimeter Wave Technology" in through out the year scheme of SERB, Registration No: TPN/57664, status: Under review Process.
- ❖ Applied a funding Research Proposal on " Design of microstrip patch antennas for Medical applications" in through out the year scheme of SERB.
Registration No: TPN/ 57840, Status : Under review Process

Professional Experience: 11 Years

Subjects Taught: Microwave Engineering, Antennas and Wave Propagation, Electro Magnetics and Transmission Lines., Digital Logic Design, Electronics Devices and Circuits, Digital Communications.

Switching Theory and Logic Design, Analog Communications.

Papers Published in International Journals/Conferences/ Seminars/ Workshops Organised:

International Conferences :

1. Presented a research paper on "Design of Circular Polarized Antenna with 0.5GHz-18GHz Frequency Ranges" in IJAR, International Conference Held on OCT- 2015.
2. Presented a research paper on "Design and Simulation of Spiral Antennas which Cover GHz range of Frequency using state-of-Art Technical Computing Tool" in IJAR International Conference Held on JAN- 2016.
3. Presented a research paper on "BLOCKCHAIN TECHNOLOGY" in International Conference on Innovative Trends in Science and Engineering Technologies(ICITSET-2018) Held on SEP-2018.

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

DEPARTMENT OF SCIENCES & HUMANITIES

Workshop Schedule:

Title: Workshop on Patent Rights for Innovation in Engineering

Date: 09-11-2022, Location: Seminar hall

Agenda:

Morning Session (9:00 AM - 12:00 PM)

Registration and Welcome (9:00 AM - 9:30 AM)

Registration process, Welcome address and introduction to the workshop

Understanding Intellectual Property (9:30 AM - 10:30 AM)

Introduction to intellectual property (IP), Different types of IP: Copyright, Trademarks, Patents

Importance of patents in engineering and innovation

Basics of Patents (10:30 AM - 11:00 AM)

What is a patent?, Types of patents (utility, design, plant), Requirements for patentability

Coffee Break (11:00 AM - 11:15 AM)

The Patent Application Process (11:15 AM - 12:00 PM)

Steps involved in applying for a patent, Common pitfalls to avoid, Role of patent attorneys and agents

Lunch Break (12:00 PM - 1:00 PM)

Afternoon Session (1:00 PM - 4:00 PM)

Patent Rights and Enforcement (1:00 PM - 2:00 PM)

Patent rights and exclusivity, Patent infringement, Defending your patent rights

Practical Tips for Engineering Students (2:00 PM - 2:45 PM)

How students can contribute to innovation, Navigating IP issues in engineering projects, Case studies of student-led innovations

Faculty's Role in Promoting Innovation (2:45 PM - 3:15 PM)

Fostering a culture of innovation, Supporting student inventors, Collaborative research and patenting

Q&A Session (3:15 PM - 3:45 PM)

Closing Remarks and Certificates (3:45 PM - 4:00 PM)

Recap of key takeaways.

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)

NH-16, Valluru, Ongole, Prakasam (District)-523272

DEPARTMENT OF SCIENCES & HUMANITIES

Objectives Of Conducting Workshop:

To promote innovation and intellectual property awareness within institution

By organizing this workshop, you'll be contributing to the intellectual growth and innovation culture at your engineering college while also equipping students and faculty with valuable knowledge about patent rights.

Encourage attendees to pursue patent-related projects

RISE KRISHNA SAI GANDHI GROUP OF INSTITUTIONS

(Approved by AICTE, New Delhi & Affiliated to JNTUK, Kakinada)
NH-16, Valluru, Ongole, Prakasam (District)-523272

DEPARTMENT OF SCIENCES & HUMANITIES

Vote Of Thanks:

Ms.P.Sridevi beloved HOD of Department thanked every student for their active participation and interest in participating in the workshop and mentioned about the activities conducted in the college by the Department. She promised that department will continue its assistance in conducting these sorts of workshops and seminars in future.

She mentioned about the marvelous support given by the Principal Prof. Dr. K V. Subrahmanyam to the department in conducting these workshops. She also thanked for the personal interest taken by him in encouraging the department in all aspects.

Closing Report:

As per the approved schedule of RISE Krishna sai Gandhi group of Institutions we have conducted a one-day work shop on "Patent Rights On Research Work." at Seminar Hall on 09-11-2022 from 09.30 am to 4. 30 pm. The students of total 109 have participated in this programme. The workshop headed by Dr. Rakesh Mutukuru,NRI Institute of Technology, Associate Professor,Andra Pradesh ,India.

We are expecting your support in future also, we would always be thankful to you.

Yours faithfully,

N. Madhu Babu
Coordinator

A Seminar on “IPR” for Students and Faculty By Department of ECE in Association with R&D

Department of MBA in association with R& D of RGAN arranged a one-day Seminar on “*Intellectual Property Rights*” for 2nd Year Students and Faculty Members of RGAN.

Dr. E. Vamsidhar, Associate Professor, Department of CSE, KL University, Guntur was the resource person of the seminar. The seminar was organized by R&D to promote innovation and entrepreneurship at the Department level on 7th AUGUST 2018.

This one day seminar aims to organize for the students & staff members in order to understand the *Intellectual Property Rights*. The program gives awareness about IPR contents and used in various business practices.

The following topics were covered in the seminar:

1. Introduction to IPR – IP is Everywhere
2. Innovation & Patents
3. Copyright & Related Rights
4. Branding & Trademarks
5. Industrial Designs
6. Other IPs – Geographical Indications, Semiconductor Integrated Circuits Layout Design, Plant Variety, Trade Secrets
7. Importance & Protection of IP – Recognize and Respect your own IP and that of others'

Total 105 Faculty members and Students, 05 Faculty members of ECE department and 100 students of ECE attended the session. R&D Cell got support, guidance and motivation from Department HOD and faculty members, to make this seminar successful. Committee Head & Members, Research and Development took efforts to conduct this seminar smoothly in the institute.
